

## LECTURES | DEMONSTRATIONS | WORKSHOPS

2021-2022

In-Person or via Interactive Zoom

Dear Garden Club Leader,

My name is Michele Fronk Schuckel, MBS, BSN, RN, Certified Master Gardener and owner and principal designer of Natural Selections Gardens. I am committed to sharing my love of the art and science of horticulture with you. My lectures, demos, and workshops are customizable and available over interactive Zoom or in person. All offerings are designed to draw your members in and help you to see plants in a new way while fostering community and wellness for your members, so important in these complicated times! Details are on my website or simply call me and we can discuss a program that fits your needs.

Warmly, Michele
