LECTURE & SLIDE PRESENTATION

# Karin Stanley

## *"The Uniqueness of the Irish Garden"*

This exploration takes us on a slow gallop around Ireland where Ms. Stanley unfolds the story of the Irish garden through the centuries. Warm currents of the Gulf Stream create a broad palette of zones nurturing an extraordinary range of plants & historic gardens for which Ireland is famous. Ms. Stanley illustrates beautifully how Ireland claims its place on the world gardening stage. Join us and share an evening enjoying this stunning visual and informative tour!

"I think every garden should have a meditative or reflective corner. This is the Celtic Stela in the Meditation Spiral Garden in the spring."  
-Ms. Stanley

### About Our Speaker:

**Ms. Stanley**, an Irish-born artist, sculptor, poet and writer has lived in the United States for over thirty years now. Originally a knitwear designer interested in textures, fibers, patterns and symbolism. A passionate observer of the changing landscape in Ireland and Scotland, her interest in Celtic archaeology, Megalithic art, the influence of the Arts and Crafts Period naturally expanded to include garden design and its history. She is a graduate of the Landscape design program at Radcliffe College.

Doors open for meeting, sign-in & light refreshments at **6:30 PM** at  
**The Elks Lodge, 1 Morrell St, West Roxbury, MA.**

We request a non-member **donation of \$7.00**. We welcome all and hope to greet you there.

**THIS LECTURE QUALIFIES FOR MASS. MASTER GARDENER EDUCATION CREDITS**
