**Mary Beth Hayes is a gardener and flower designer who likes to bring the beauty and wildness of the garden into the home. Programs can be in-person or via Zoom (even DIY workshops).**

Past President - Country Lane Garden Club, Chelmsford.

Past Vice President - Buxton Branch of the American Begonia Society, Certified ABS Judge.

Exhibitor at the Worcester Art Museum *Flora in Winter*, Boston Flower Show, Tower Hill

*In Bloom*, Trustees of Reservations *Rooms in Bloom*, Chelmsford Center for the Arts *Art in Bloom*.

### 1. Create Your Own Cutting Garden

Learn to create your own small but productive cutting garden, and make loads of fresh floral arrangements. Covers easy and reliable plants to grow, soil preparation, maintenance, harvesting, conditioning flowers, end-of-season breakdown and more. Optional demo of spiral hand-tied bouquet (\$45 for materials).

### 2. Embellished Pumpkins!

Terrific hands-on DIY workshop for fall months. Learn techniques to use floral glue and design with cut flowers, succulents and greens to create real decorated mini-pumpkins. Your adorable embellished pumpkin will last for months! Materials fee \$25/pp. Great fun!

### 3. Green Alternatives to Foam

Floral foam is so convenient but has adverse effects to our health and the environment. Learn alternatives for floral arranging: chicken wire, frogs, taped grids, water tubes and more. Expand your floral mechanics and design skills. Includes three arrangements for supplies fee.

### 4. Floral Wreaths, Swags or Crowns

Learn versatile techniques and mechanics to make floral wreaths, swags or head crowns using fresh flowers and greens. DIY workshop can be completed in one hour. Workshop can be tailored to any season. Materials fee depending upon the product (\$15-\$25 per person).

### 5. Whirlwind Tour of Begonias

Begonias offer unrivaled foliage beauty for the home and garden. Learn growing & plant care tips, propagation, use in floral arrangements, best sources, propagation and more. Each member can make their own leaf cutting to take home. Propagation supplies cost \$35 per workshop.

**6. Vertical Arrangements** - Try these designs as a great alternative to traditional florals. They provide a dramatic backdrop or screen to any event. Learn how to construct stable, artful vertical arrangements using different mechanics. Also covers suitable flowers and foliage, transportation and ensuring a longer "vase" life. Includes two to three arrangements for supplies fee.

*We can collaborate on unique, custom program for your club or organization.*

**Lecture/workshop fee: \$325 plus mileage @\$0.50/mile. Fee for hands-on workshops varies, \$15-\$25 per person.**

**Hand-outs provided for all programs. Discount for return engagements to your garden club!**
